Change in the racing programme for Thursday, 6 August

Due to adverse weather conditions forecast for the weekend, the FISA Executive Committee has decided to implement changes to racing schedules so that two rounds of racing will be held on Thursday 6 August instead of the one round originally scheduled. Those races originally scheduled for Friday 7 August will now be brought forward to Thursday afternoon starting at 15:00 hrs. All races in both rounds on Thursday will be scheduled at 5 minute intervals. A revised schedule will be issued.

Matt Smith, FISA Executive Director
