### Adverse Weather Conditions - Change in racing programme

Due to the weather forecasts showing very strong winds on Saturday afternoon and Sunday morning, the FISA Executive Committee has decided to advance the races originally scheduled for Saturday to take place on Friday morning and the finals which were originally scheduled for Sunday will now take place on Saturday morning. This follows the earlier decision to stage two rounds of racing on Thursday. Racing on Friday will start at 08:30 hrs at 7 minute race intervals. The exact times for the session on Saturday will be confirmed later.
