### Exclusion of CHN M2x

Item: 4

The qualification rules for the 2008 Olympic regatta require that: "The rowers qualifying in a certain event at the three continental Olympic qualification regattas and the final Olympic qualification regatta in Poznan, must participate in that event if they participate at the Olympic Games" CHN M1x Liang Zhang did not compete in his Heat, and under Olympic qualification rules is therefore not eligible to compete in the M2x in which he was also entered. The Chinese Rowing Federation appealed against the decision of the President of the Jury. The Executive Committee considered the appeal but rejected it. The CHN M2x was confirmed to be ineligible for its race.
