### Adverse Weather Conditions - Re-allocation of Lanes

Due to a persistent cross wind, the Fairness Committee has decided to use option 1.4 described in the Bye-Law to Rule 66 - Alternative Programmes in cases of Adverse Weather Conditions. The bow numbers starting from race 179 to 185 will be as follows: boats with bow numbers 3 and 4 will race in lanes 1 and 2, boats with bow numbers 2 and 5 will be in lanes 3 and 4, boats with bow number 1 and 6 will be in lanes 5 and 6. From race 186 to the end of the regatta a new draw has been produced and correct bow numbers will be in place.
