Under 23 Lightweight Women's Double Sculls

BLW2x

BLW2x in Trakai

The number of entries for the Lightweight Women's Double Sculls has been increased to 16 boats. The Venezuelan team arrived late in the night on the 10th of July, after the draw, and it was discovered that they had mistakenly entered the crew as a Women's Double Scull. This changes the Progression system for this event. Now the 1st and 2nd of each heat will qualify to the Semi finals. The rest will advance to two Repechage races. The number of BW2x reduces to 14 which creates no change in the Progression system.
