Executive Committee decision on MAR BLM1x

The MAR sculler missed the start of his heat at 11:40 hrs due to an incorrect instruction from an official in the warm-up area and he did not start in his heat. The Executive Committee has decided that, due to the incorrect instruction from a race official, he will be allowed to continue the regatta as the last placed crew in his heat subject to rowing the 2000 metre course at race pace this afternoon at 17:50 hrs in order to simulate the equivalent fatigue as the other competitors. He will then proceed to the repechage.
