## Lightweight Men's Single Sculls

Race 213

### Executive Committee decision on AUT LM1x

The AUT sculler capsized at 1750 metres in the course in Quarterfinal 3 of the LM1x and did not finish the race. He was taken from the water by the rescue boat to ensure there was no interference with the following race which was already on the course. The Executive Committee has decided that the rower could have completed the race, if allowed, and because a sufficient distance of race was rowed at race pace, the rower will be allowed to continue in the regatta as the last placed crew in its Quarterfinal. He will proceed to the Semi-finals C/D.
