APPENDIX 5

BYE-LAWS TO RULE 50 OF THE FISA RULES OF RACING – ADVERTISING BYE-LAWS

1. Application of these Rules

These bye-laws apply to all international regattas governed by FISA rules. In addition, certain sections below describe advertising rules for World Rowing Championship, World Rowing Cup and other international regattas as FISA may decide.

They apply to boats and equipment at the regatta venue from the time of the official opening of the venue until the end of the regatta. They apply to rowers and rowers’ clothing when they are on the water and on or near the victory pontoon or stage during the hours of racing of the regatta (being all times that the traffic rules for racing are in effect in accordance with these Rules) and while victory ceremonies are in progress. They apply as well to all regatta officials and umpires. They do not concern the Olympic or Youth Olympic Games where the Olympic Charter applies or the Paralympic Games where IPC rules apply.

1.1. General Principles

A boat which does not or rower(s) who do not comply with Rule 50 or its Bye-Laws will not be allowed to race and shall be excluded by the Starter or Umpire.

If a boat that is or rower(s) who are found to have raced but was not compliant with Rule 50 or its Bye-Laws, the crew shall be relegated to last place in the race concerned. If the crew races again in a later round of the same event with clothing and/or equipment that is again in breach of this rule, the crew shall be excluded from the event concerned.

Rower(s) participating in a victory ceremony who do not comply with Rule 50 or its Bye-Laws may be relegated to last place in the particular race, excluded from the event concerned or otherwise penalised. Medals already awarded to a crew which has been relegated or excluded shall be withdrawn and awarded to the next placed crew in that event.
1.2. Exclusive Rights of FISA

The following rights are the exclusive property of FISA at all World Rowing Championship and World Rowing Cup regattas and shall be commercialised in cooperation with each Organising Committee:

Television rights, including all means now known or hereafter devised, whether live or recorded, pay or free television including terrestrial, satellite or cable transmission;

Commercial rights, including all commercial and sponsorship rights arising in relation to or in any way connected including signage rights, general sponsorship rights, official supplier rights, event programme rights, advertising rights on all promotional materials and publications and hospitality rights.

1.3. “Identification” and how it is measured

The following types of Identifications are permitted under these Rules:

a. Manufacturer,
b. Member federation or Club name,
c. Boat name,
d. Member federation or Club sponsor,
e. FISA Identification

Each is an “Identification” for the purpose of this Rule.

The area of the Identification is calculated by drawing vertical and horizontal lines at right angles to each other extended from the most extreme points of the name or symbol, or of the background colour if this covers a larger area. The area is therefore measured as a square or rectangle, for example:
1.4. FISA Identification

A FISA Identification is a space reserved for use by FISA under these Bye-laws either on clothing or on equipment and which may be the regatta sponsor’s name and/or logo or such other identification as FISA shall specify.

1.5. A Manufacturer as Sponsor

If a manufacturer is also a sponsor, it may use the space reserved for a sponsor, but is not allowed to create a single larger area by combining the two specified areas. If the area reserved for the manufacturer is not used by the manufacturer, it cannot be used for another purpose.

1.6. Identifications within the Crew

The Identifications do not necessarily have to be the same on the boat, the different items of clothing and the oars/sculls, but within each type it must be identical; for example, all the oars/sculls of a crew must carry the same Identification in the same format; and each individual item of clothing must be identified in the same way for all members of the crew.

1.7. National Identity

Member federations’ crews are permitted to utilise all opportunities to display their national identity on their official uniforms and equipment in areas which are not otherwise restricted. Where such identity is on the uniform it must be a part of the official design submitted to and approved by FISA under Rule 51. National identity shall include the official national colours, the official country name and/or acronym and the official national flag (as approved for FISA ceremonies). Where the member federation is a region or territory, the national identification shall mean such colours, name and flag as are approved for use by FISA.

For the avoidance of doubt, this provision shall not apply to crews competing under the name of a club.

The provisions of this clause shall be separate from all other provisions and shall not be used to enhance or change the display of any other permitted Identifications and shall not imply any change in the meaning of any other provisions in these Bye-Laws.
