

World Rowing Masters Database

Many of you competing in the Euromasters 2014 are also regular competitors in the World Rowing Masters Regatta. Beginning at the 2015 World Rowing Masters Regatta in Hazewinkel all competitors must have their identity, birthdate and club affiliation verified by an authorized FISA official before they race. This data will be input into a permanent database so a competitors must have their information verified only once.

Since the WRMR is in Australia this year, for your convenience, FISA is offering the opportunity to have your information verified for the World Rowing Masters database while you are competing at the 2014 Euromasters in Munich. This will avoid queues and delays next year in Hazewinkel. (Many of you are already in the database, having registered in Varese last year. If you will not need to do so again.)

If you are competing at the 2014 Euromasters in Munich and would like to register for the FISA / World Rowing Masters Database, please see the points below

Prior to the event

You may enter your preliminary information via the Internet (name, birthdate). You should do this in advance from your home office, or smart phone. You will be asked to find your club name first, and then enter your data. The URL to perform this preliminary entry is:

<http://masters.worldrowing.com>

Please enter your first and last name as it appears on your official identity document, and do not use nicknames or initials.

1. At the 2014 Euromasters

Please come to the FISA booth at Munich some time during the Euromasters regatta to have your information verified. Bring with you a passport or government issued identity card. When you come to the FISA booth, your data will be checked and your photograph will be taken. You will then be eligible to compete in the World Rowing Masters Regatta permanently!

2. Biographical information

You will also have the opportunity to provide other information about yourself (rowing history, biographical detail,–on a **voluntary basis**. If you have verified your data already at the 2013 World Rowing Masters Regatta in Varese, please feel free to log in <http://masters.worldrowing.com> and add your information.

3. Data protection

FISA is concerned about your privacy and will abide by the following privacy policy provided by RegattaCentral, the official provider of the World Rowing Masters Database for this database: <http://masters.worldrowing.com>

TO AVOID LONG QUEUES / WAITING TIMES AT THE 2015 WORLD ROWING MASTERS REGATTA IN HAZEWINKEL, PLEASE REGISTER FOR THE WORLD ROWING MASTERS DATABASE WHILE YOU ARE COMPETING AT THE 2014 EUROMASTERS.

Thank you.
